

Proposed Amendment #9 to the City of San Marcos Action Plan for Disaster Recovery

March 3, 2020

The City proposes the following changes to the City of San Marcos Action Plan for Disaster Recovery as Amendment No. 9 to the document.

Regarding eligibility for Single Family Housing Rehabilitation and Reconstruction:

Page 33: Under “Owner Occupied Applicant Eligibility Requirements” change “within the updated 100-year floodplain” to “within the City Limits of San Marcos and have been damaged as a result of one or both of the major two floods in 2015.”.

Page 34: Under “Single Family 1-4 Unit Rental Applicant Eligibility Requirements” change “within the updated 100-year floodplain” to “within the City Limits of San Marcos”.

Regarding the Blanco-Riverine Improvements Project:

Page 23: Add note stating, “Substantial Amendment #9 changes the use of funds for the Blanco-Riverine project from infrastructure construction to acquisition. Construction funds will be provided by other sources.”

Page 36: Adding “including land acquisition” to the following sentence, as shown here: “H. Hazard Mitigation activities including land acquisition: Blanco Riverine Improvements”

Page 262: Adding “along with...” to end of sentence, as shown here: “Eligibility Criteria (Infrastructure): Typical infrastructure activities include the repair, replacement, or relocation of damaged public facilities and improvements to include, but not be limited to, bridges, water treatment facilities, roads, and sewer and water lines, along with acquisition of land needed to complete these activities.”

Page 265: Add note to the paragraph entitled “Proposed Infrastructure”: “CDBG-DR funds will be used for land acquisition to support this project.”

On the table entitled CDBG-DR Funded Infrastructure Projects, add note to the Blanco-Riverine Improvements project under Project Description: “CDBG-DR funds will be used for land acquisition to support this project.”
